

SCHOOL REPORT

Good Evening Ladies & gentlemen

Chief Guest of the evening Shri Harendra Singh Malik ji, Smt. Meenakshi Swaroop ji, Smt. & Shri Ajeet Singh ji, Guest of Honour, honorable members of school management committee, reverend directors & principals of various schools, media personnels, dear parents and all distinguished invitees, wishing you all a very pleasant evening, I pay my heartfelt tributes to venerated senior most member of our S.D. Family Late Smt. Satyavati Kumar ji and revered Late Shri Somansh Prakash ji, President of S.D. College Association whom we have lost recently. This is true that it is God's wish but it is also an aching truth that this is a big loss for us. I have a firm belief that like our honorable founders Late Shri Mahendra Kumar ji Advocate, Late Shri Madan Mohan Lal ji, Late Shri Lala Gulshan Rai Jain ji and Late Shri Deepak Kumar ji, their pious souls will always bless us and be a great inspiration for all of us.

I feel really ecstatic introducing today's worthy Chief Guest Shri Harendra Singh Malik ji, who carried a bright political career from student life and came into limelight after being elected as a member of the Legislative Assembly in 1985, representing the Khatauli constituency. Later in 1989 he shifted to Baghra constituency and served as an MLA for the next seven years. Throughout his career he has been a dedicated Public leader, advocating general people's interests at various levels. In 2024 Lok Sabha Election, Sir won the Muzaffarnagar seat. We wish a great successful tenure to him. Thanks a lot sir for sparing your valuable time to be with us.

Ladies & gentlemen, it is my utmost pleasure to introduce Smt. Meenakshi Swaroop, Chairperson, Nagar Palika Parishad, Muzaffarnagar who is with us at our special invitation to preside over the evening as Guest of Honour. Meenakshi ji, a very dedicated social worker, hails from the innate family of Late Shri Chitranjan Swaroop ji, who himself was an epitome of democratic politics. Thanks madam for accepting our invitation to be a part of the evening.

It is an honour to have another guest of honour of evening our ex student Shri Ajeet Singh ji among us who is presently serving in the rank of Air Commodore in appointment of Deputy Director General at Ministry of Defence. I extend my cordial welcome and thanks to him and his wife Smt. Jugpreet Kaur.

Sir, S.D. Public School, a 56 years old, first co-educational school of the city was started with a vision to provide quality education with a meager strength of 107 students, has now grown up into a mammoth with a strength of more than five thousand & 3000 in its off-shoot - The S.D. Public School, means total more than 8000 children of this city are being shaped to grow into perfect citizens to make this nation grow strong. God Bless them all.

Sir, it makes me feel proud & brighten, thanking all members of the school management committee Smt. Arushi Jain President, Shri Vikas Swaroop ji Vice President, Shri Akash Kumar ji Hon. Secretary, Shri Ankur Kumar ji Hon. Jt. Secretary, Shri Raghav Swaroop ji, Shri Shishir Sangal ji, Shri Mukul Bhushan ji, Shri Mahendra Kumar Kedia ji, Shri Gaurav Goel ji as members & reverend Shri (Dr.) C.K. Jain as Ex-Officio member standing by us all the time with their visionary approach. I exclusively thank Shri Akash Kumar ji, the Secretary who is always present there to guide us in our day to day's endeavors. Thank you sir.

Ladies and Gentlemen, it is a glorious moment to put before you the shining holistic record of our students. Their academic result proves their caliber & co-scholastic records blazon it. This time Srishti Saini from Humanities Stream made us proud by securing 97.2% at senior secondary level, Chanchal Tomar secured 95.8% in science stream followed by Ishita Narang & Anya Agarwal secured 95.2% in commerce stream. 68 students secured more than 90% marks in total.

My joy knows no bound to announce that Tanu Morya in Chemistry, Kavya in Biology, Akshay Kapoor in Accountancy, Nandini Rai Jain in History & Psychology, Eishit Baliyan in Engg. Graphics secured 100 out of 100. I appreciate their efforts & congratulate them, their teachers and parents.

With head high I call the name of Abuzaid Khan who secured 99% marks in class X & stood at 1st position at District level. Ladies and gentlemen, you all will be delighted to know that 35 students secured 100 out of 100 in one or other subjects and 98 students got more than 90% in total at secondary level. Kudos to them, their teachers and parents again. I appreciate & wish that this journey of excellence must continue in the years to come.

This is not the limit as I am going to grab your applaud for a wonderful success in prestigious entrance exams of JEE, CPT, NEET and CUET etc. Long list cannot be read due to short of time but surely call the name of Vansh Goel who cracked JEE with a graceful rank and joined IIT Gandhi Nagar. Aditi Singh and Kavya made the district & school proud by their selection in NEET and entered in LLR Medical College Meerut & GMC Saharanpur respectively and Riya qualified NIFT Mumbai. I congratulate them & school family for the success & wish them all the best in life.

Still I feel my work incomplete if I don't congratulate Harsh Chauhan & Govind Garg of class XII-A+ who after winning at the National Level in Science Exhibition have been selected & invited by NCERT to participate & display their exhibit titled - "A Novel Approach to Electricity Generation using Algae Pannels" at the Rashtriya Bal Vaigyanik Pradarshini 2024 to be held at Sonapat. Hearty Congratulations to them and their guide Physics TGT Mr. Akash Kumar.

Further Ayush Choudhary of XI-A1 grabbed first position in Inspire Manak Award. Anukalp of X-C and Aalaukik Shirushwal VI-F were awarded with a cash prize of 10,000 each in the same competition. Shaurya Agarwal XII-A+ & Hardik Agarwal XI-A+ grabbed first position in District level Science Exhibition organized by GIC and In Science Championship 2 competition in Shivalik Group of Colleges Dehradun. Arnab Goel XII-A+, Ayush Saini & Harsh Chauhan XI-A+ won first position and they all were awarded with certificates & cash prize. A glorious moment for all of us was when Arnab Goel and Shaurya Agarwal of XII-A+ attended a webinar on 'An Edu Odyssey Chandrayan 3 and Beyond' held by Space India to

showcase India's third Lunar Exploration Mission and received certificates for the same.

Many of our students from junior wing brought laurels to school by participating in various competitions outside the school like Suryansh IV-C won a cash prize of Rs. 7000 in SIP Arithmetic Genius Contest. Aniket Kwatra of III-D and Aahana Arora of IV-A added additional features by winning Hindi Pratibha Samman. Nitya Dabral of III-G won the first prize in Gymnastics. A team of 24 dancers participated in Inter School Dance Competition and won the First Prize.

This year school also participated in Youth Parliament conducted by CBSE & was awarded certificate by Ministry of Parliamentary Affairs. Alike our school organizes Inter School Model United Nations Conference every year and students almost from all schools of the district participate in this.

Sir, here I humbly accept this as a result of dedicated, concerted approach & personal involvement of our qualified & experienced teaching staff that trains 100% students by making them participate in various activities alongwith Pankh & Saksham, annual cultural & sports event respectively which is really herculean but result bearing effort.

Parallel are the services of ministerial & fourth class employees for which they deserve my sincere heartfelt thanks.

Here I must gladly appreciate the association & cooperation of parents who are our real strength. Summing up on behalf of students & staff I render my heartiest thanks & gratitude to the worthy chief guest, members of the management committee, media personnels, parents and all eminent guests for sparing their valuable time and adding charm to the evening.

Jai Hind

A REPORT BY ACTIVITY INCHARGE

"The starting point of all achievements is desire. The size of your success is measured by the strength of your desire, the size of your dreams and how you handle your desires along the way."

The aim of the school is not only to foster good education but also to provide opportunities to

fulfil dreams and work for overall development. For the same purpose various Interhouse Competitions are organised among the students of six houses - Bhabha, Gandhi, Jawahar, Laxmi, Patel and Tagore. Students showcase their talents and participate enthusiastically in all activities and competitions. I feel immense pleasure and pride in mentioning the names of prize winners for the session 2024-25.

A REPORT BY SPORTS INCHARGE

Sri Aurobindo believed, "For the body to be effective physical education must be rigorous, detailed, far-sighted and methodological.

This will be translated into habits. These habits should be controlled and disciplined while remaining flexible enough to adapt themselves to circumstances and the needs of growth and development of the being".

Physical education programs at all levels help students develop the knowledge, skills, attitudes, values, and behaviours to initiate and maintain a physically active lifestyle that will continue into and through adulthood. Students are encouraged to use physical activity to develop personal initiative, responsibility, and caring about others and the community.

A positive, supportive environment is essential to the success of the physical education program. This inclusive learning environment allows students to experience positive, challenging, and enjoyable physical activity while learning the benefits and importances such as cultural identity, previous movement experiences, fitness and skill levels, and intellectual, physical, and socio-emotional maturity.

Appropriate instruction in physical education incorporates best practices derived from research and experiences in teaching students.

This physical education curriculum sets forth developmental and instructional rules in designing, implementing, and evaluating physical education programs.

Therefore, the Physical education committee created a tool, 'The Physical Education Curriculum' - which has been researched and designed to provide consistency, coherence, and rigor in the content and process of teaching physical education throughout the schools of the CBSE all over the world.

The Physical education curriculum provides all students with enjoyable and worthwhile learning opportunities where they develop the movement skills and competencies to participate and perform in various physical

activities competently, confidently, and safely. It builds students' motivation and commitment to physical activity and sports within and beyond school. It can encourage students to participate in leadership roles, irrespective of their previous experiences in physical activity. The physical education program also prepares students to develop their careers in physical education and sports. It is one of the dynamic fields, providing numerous opportunities for diverse career options like being a teacher, coach, sports manager, and many more.

Looking into today's context, physical education is the only subject that not only develops mental, physical, and social attributes among us but also contributes to our overall sense of well-being in our lives.,
